Cologne, 18 March 2014

Declaration of Ignitability Testing following DIN EN ISO 11925-2

License Holder: REC Solar Pte Ltd.
20 Tuas South Avenue 14
637312 Singapore
Singapore

Designated use: Photovoltaic (PV) Module

PV module types: REC Peak Energy Series
RECxxxPE (xxx = 205-285 in steps of 5, 60 cells)

Reports: 21224709.001 dated March 2014

Certificates: Registration no.
IEC 61215: PV 60090792 (valid until 18 July 2017)
IEC 61730: PV 60090793 (valid until 18 July 2017)

The material composition of the tested module is documented in the above noted test report. The test samples had a vertical flame spread within 20 s from the beginning of the exposure ≤ 150 mm. The test sample size deviates from the standard size as defined in DIN EN ISO 11925-2. Following this standard the results fulfil the requirements of EN 13501-1, for class E.
