- 2) Complete it on the internet browser (please do not print it and **handwrite on it**) or download it and open it with Adobe Acrobat (PDF form) and then complete it (**the file is editable**)

**PLEASE NOTE:** This form is officially to be completed by the OWNER of the system (end customer) or on his/her behalf by the installer with the customer's consent

- 3) Save the form or print it as a .PDF file and send it as attachment to [hit.guarantee@eu.panasonic.com](mailto:hit.guarantee@eu.panasonic.com)

- 5) Pay special attention to the serial number requirement (i.e. G8NH16444). Be aware that each solar module features a sticker with the serial number on the side of its cardboard packaging (see below). IDEALLY remove and keep those stickers on extra piece of paper and submit it with the registration form.
