

Roof hook stainless steel Tegola Romana (without wood screw)

Item No. R420159

Product properties

Dimensions	350X250X60
Dimensions base plate	59 x 180 mm
Perforations in base plate	12 x 7 mm
Material thickness	5,0 mm
Weight	1,045 kg
Colour	blank stainless steel

Application properties

Compatible with tiles	Tegola Romana
Applicable to substructure material	Wood
Space for horizontal adjustment	0,0 mm
Space for vertical adjustment	24,50 mm
Article is pre-assembled	Yes
Rail orientation on roof hook	Horizontal
Compatible with product group	VarioSole SE; VS+
Additional article in set	R900086; R900007; R900001

Material

Material Stainless steel

Statics

Compression force limit	0,75 kN
Tension force limit	0,26 kN
Shearing force limit	0,30 kN
