

Declaration of Conformity – Ireland

This is to declare that the following products, including the required accessories, meet the EN50438 requirements for Ireland, when set to the country setting “Ireland”. The grid protection parameters for this settings are detailed below.

Product:	Solar Inverter
Manufacturer:	SolarEdge Technologies Ltd. 1 HaMada St. Herzeliya 4673335, Israel
Three phase inverter model:	SE27.6K, SE25K, SE17K, SE16K, SE15K, SE12.5K, SE10K, SE9K, SE8K, SE7K, SE5K, SE4K

Protection Parameter	Trip Setting	Clearance Time
Over Voltage	253 V	500 ms
Under Voltage	207 V	500 ms
Over Frequency	50.5 Hz	500 ms
Under Frequency	48.0 Hz	500 ms
